In 1973, Mike and Mary took over an existing restaurant in Corona, CA and renamed it "Miguel's" in honor of Mike's grandfather. Over the next two years, business improved to the point that they decided to lease a fast food restaurant just two miles down the road and named it "Miguel's Jr." This became an instant favorite with locals and travelers on Interstate 91 going between Orange County and the Inland Empire. Now, there are two full-service Miguel's California Mexican Cocina Restaurants and 21 Miguel's Jr. fast food restaurants throughout the Inland Empire and Orange County.

Today this family tradition continues. It is our promise to deliver the freshest, best tasting California Mexican food each and every day. We know you have a lot of choice when it comes to restaurants, so thanks for choosing us.
